

# What to do if your home is flooded?

- If water rises near your electrical outlets, baseboard heaters or furnace, or electrical panel, call 1-800-434-1235 to have your power disconnected.
- If any water damage to electrical equipment occurs, a Licensed Electrical Contractor needs to conduct an evaluation and make any necessary repairs before Hydro One can restore power.
- Be sure to keep your emergency kit in a backpack and make sure everyone in your home knows where to find it. See below for what to include.

Power outages and other emergencies

## Emergency preparedness kit

Water  
(recommend 2L per person/day)

Canned or dried food that won't spoil

A manual can opener

Cash

Windup or battery powered flashlight

Windup or battery powered radio

Extra batteries

Any medical items you require

First aid kit

Blankets

Candles and matches. Remember to never leave a burning candle unattended

At least one corded phone; a cordless phone will not work in a power outage

Fully charged cell-phone and portable power bank chargers
